

## ALBORADA RESEARCH FUND

### FINAL REPORT

<b>Cambridge PI</b>	
<b>Collaborator</b>	
<b>Cambridge Department</b>	
<b>Collaborating Institute</b>	
<b>Project Title</b>	
<b>Project Code</b>	
<b>Period covered by this report</b>	

#### 1. Lay Summary

For public dissemination (Max 200 words)

#### 2. Progress Report

This should be no more than four pages including figures and tables. Please append additional documents if necessary.

Please set out your report along the following lines, as applicable:

- a) Progress in the reporting period. Indicate:
  - What has been achieved against each research objective of your original proposal?
  - Other achievements?
- b) Capacity strengthening. Indicate progress against any capacity strengthening activities in your proposal.
- c) Challenges and constraints. Indicate any challenges and constraints that have been encountered during the reporting period and how these have been met.
- d) Research into Practice. What are the implications of your achievements? What public engagement activities have been performed? Do your activities relate to any of the Sustainable Development Goals?

### 3. Future Plans

### 4. Financial Report and Narrative Statement

Please provide a budget narrative to describe how the funds were spent. In particular, please note any amendments from the budget in your application

### 5. Publications/Conference Abstracts

- ❖ Please attach any photographs (JPG or PNG) and/or any publicity materials associated with the project and return to [alboradafund@cambridge-africa.cam.ac.uk](mailto:alboradafund@cambridge-africa.cam.ac.uk)
